

Volusia County Corvette Association's support of Parker's Pals

MEAL DELIVERY

Delivering meals to busy Parker's Pals' families is a treat for members of the Volusia County Corvette Association. In August, the club brought meals to the Haswell family for three weeks. The group delivered home-cooked lasagna with all of the trimmings, chicken casserole, tacos, salad and desserts.

THANKFUL MEALS

VCAA donations helped provide meals for Parker's Pals' families for Thanksgiving and Christmas. These busy families deserve having a prepared meal delivered for the holidays!

VISIBILITY

The Volusia County Corvette Association participated in the 2010 DeBary Christmas Parade to help bring visibility to the mission of Parker's Pals.

FUNDRAISING

The Volusia County Corvette Association is very active in fundraising activities. The club conducts 50/50 drawings at each meeting, and held a successful yard sale October 23 in Deltona. Significant funds were raised by participating in several high school homecoming parades. And the club is planning a car show January 15 to raise additional funds for Parker's Pals.
